Furniture crafted with love.

Transform your Brooklyn from Sofa to Bed

At LifeStyle Solutions we believe that furniture is an important part of life, not just mere objects. We create furniture that transforms with you, as your life evolves! Thank you for making the Brooklyn a part of your world!

Transform your Brooklyn Sofa into a comfortable Bed in 2 EASY steps:

STEP ONE: Sofa to Lounger : Stand behind your Brooklyn Sofa and **PUSH** down (away from you) on one of the cushion sectionals until you hear a "Click". **PULL** the cushion back **HALF WAY** (towards you) and lock it in midway in a reclining position. Enjoy your lounger. To convert back to Sofa, push cushion sectional forward and then back to lock into position.

STEP ONE: Sofa to Bed: Stand behind your Brooklyn Sofa and **PUSH** down (away from you) on one of the cushion sectionals until you hear a "Click". **PULL** the cushion back **ALL THE WAY** (towards you) and lay it flat. You will hear another click once the cushion is completely flat and into Bed mode. Sleep well!

To convert back to Sofa, push cushion sectional forward and then back to lock into position.

Thank you for bringing the Brooklyn into your home or office. At LifeStyle Solutions, we 'craft furniture with love' because we know you need furniture that transforms as your life evolves. Enjoy your Brooklyn!
