One outlet. Endless possibilities.

Connect. Customize. Entertain. The Crock-Pot® Hook Up™ Connectable Entertaining System provides flexibility to entertain your way. Crock-Pot® Hook Up™ units plug into each other to create the perfect table setting for any size party. The bigger the party, the more units you can hook up together (up to 6 units can plug together using one outlet).

You can also use a single unit alone or a few together. The Crock-Pot® Hook Up™ Connectable Entertaining System is designed to be fully customizable to work the way you need them to. You can build your own system or build a spread at parties and gatherings when everyone brings a dish in their own Crock-Pot® Hook Up™.

High, Low, and Warm settings provide cooking options to accommodate your party needs. Removable stoneware and lids are dishwasher safe. The units stack for easy storage.

Each Crock-Pot® Hook Up™ unit includes one sturdy, double-handle zipper bag to make it easy to transport your Crock-Pot® Hook-Up™ unit wherever you are going, whether it's plugging into someone else's Crock-Pot® Hook-Up™ Connectable Entertaining System or bringing the entire party with you. Designed exclusively for the Crock-Pot® Hook-Up™ Connectable Entertaining System.

Crock-Pot® Hook Up™ is available in 3 different sizes and 4 colors.
